June 27 to July 31, 2022 to Schedule

Explore the Aquarium at BIM (8:30 AM to 4 PM): Experience the wonder of animals living in the Great Salt Pond. Come see local fish, squid, horseshoe crabs, sea urchins and others. While visiting, participate in a guided discovery of our aquariums or participate in one of our many fun educational programs including our **Daily Creature Feature**: an exciting and educational interactive program focusing on a species currently residing in a BIM aquarium. (Creature features are held Sunday through Wed at 12:30 PM and Thursday to Saturday at 10:30 AM. A fun and educational experience for people of all ages. **Boat Tours** begin July 11th!

Evening Programs include our Weekly Tuesday Talks at 7 PM as well as occasional Thursday Talks.

Special Events: Summer Celebration: July 2nd! This and other Special Events to be held throughout the summer are posted [Here](#)
